

Adventure Programs

for College Groups

The Browne Center, an affiliate of the University of New Hampshire, has a twenty year history creating meaningful programs for local colleges.

Browne Center programs can enhance skills in:

**Communication & Leadership, Community Building, Trust,
Conflict Resolution, Healthy Risk Taking, and Diversity & Inclusion**

Our experiential programming methods can:

- help accelerate a sense of team and community
- set group norms for how you want to work together
- enhance problem solving and decision making skills
- offer an unforgettable day!
